

**it happened while you were away.**  
sometimes, exotic places are closer than you would  
imagine. different cultures, different people, different  
architectural beliefs. **new worlds** you might never  
have been in touch with.

yet, is it worthwhile **skipping rio** for not going  
further than just across the bridge? a **coup d'eth.**  
while the others are away, we are inviting you  
over to **hib** for a week of analysis, understand-  
ing, critique and propagation of **digital concepts**  
**in architecture.** together, we will learn and em-  
ploy cunning tactics to shape the agenda of tomor-  
row – **campaigning for or against the digital.**  
making posters, pamphlets, manifestos, vide-  
os – hijacking, hacking, designing, digesting,  
tweeting, twisting and programming – we cel-  
ebrate **a week of witty activism** at the d-arch  
with the support of veronika spierenburg (art-  
ist, zurich) and florian lamm (lamm & kirch graphic design, leipzig)

**seminar week HS2017 / gramazio kohler research**

matthias kohler, fabio gramazio, hannes mayer and david jenny / 23.10.  
- 27.10. / cost category: a / 10 - 20 participants / required skills: curiosity
